Assessment of Data Reviewed: HR conducts Reasonable Suspicion Training for all DH's and faculty We have PP, MCC. I want to add an in-service to our 2017 faculty forums on this topic. I have discussed with the Director of Education.

C. A multimedia library on drug related topics.

✓ Met

Not Met

Assessment of Data Reviewed: NIDA literature available in public areas. I have requested additional resources to be purchased for the LRC. The Director has already ordered a Kit and additional books on abuse.

D. Alternative programming promoting drug-free fun.

Met

✓ Not Met

Assessment of Data Reviewed: We don't have any alternative programs

E. Procedures followed on positive drug tests.

✓ Met

Not Met

Assessment of Data Reviewed: Probation/suspension/expulsion/termination procedures always enforced consistently

F. Referral information for students.

✓ Met

Not Met

Assessment of Data Reviewed: HR just updated a list of treatment centers in Oklaoma and posted them to MCC, Collegesooner website and updated both the employee drug testing policy and the student drug testing policy for 2017

G. Number of Drug and Alcohol Violations.

✓ Disciplinary sanctions are consistently enforced

Disciplinary sanctions are not consistently enforced

Assessment of Data Reviewed:

Memo: I will be evaluating the need to conduct another company wide drug test for all employees. I'm happy to say that we only had one THC positive out of around 200 employees in 2015
