

Laptop/Tablet Policy

The following are the College's requirements for the school-provided laptop or tablet:

1. The care, protection, technical support, and integrity are my full responsibility including the replacement cost.
2. I will be committed to learn about today's mobile environment and explore methods of maximizing mobile technology to reach my personal, education, and career goals.
3. I am responsible for replacement cost if device is damaged, stolen, or lost.
4. I am responsible for creating a memorable passcode known only to myself.
5. Each student will be issued only one device during their program.
