

Student Disclaimer

I understand that I, as a student of the *College*, may have other students working on and performing practice procedures on me depending on my enrolled program.

I understand that any said procedures are under the supervision of qualified instructors.

I understand that these procedures will be performed by students who may have no prior knowledge of said procedures and agree to willingly participate.

I, furthermore, release the *College*, its agencies, subsidiaries, faculty or staff from any and all liability regarding these procedures, either immediate or at any time of the future.

I have read and fully understand the terms of this Disclaimer and hereby release of liability to the *College*, its students, faculty and staff.
