*An increase in COA components may occur if accepted documentation accompanies the decision to increase the levels. This would occur with an approved Professional Judgment.

*The following are based on a 30 (or 32) week /24 credit budget with current tuition and book costs. These costs may increase upon state/federal approval and updated catalog. See COA cost breakdown for varied budgets (transfer credit, re-entry, etc). Add \$100 online fee per class as applicable.
 Online programs do not include transportation cost on the Cost of Attendance budget. COA is also based on student starting at beginning of term.
