

Safety Pledge

It is understood that each student will be given proper instruction in the use of the equipment and in the correct safety procedures concerning the equipment before he or she will be allowed to operate it. The student must assume responsibility for following safe practices. We at OTC, therefore, ask the student to subscribe to the following safety pledge:

1. I will follow all safety rules.
2. I will never operate tools or equipment without first having permission from my instructor or supervisor.
3. I will not ask permission to use a particular tool or piece of equipment unless I have been instructed in its use.
4. I will report immediately any accident or injury to my instructor or supervisor.
5. I understand that I will be working in an environment that has hazards that could cause my death if I do not pay attention.
6. I will not come to class while under the influence of any drug and understand that if I do I could be prosecuted to the fullest extent of the law.
7. I further understand that OTC is an adult institution of higher learning and horseplay will not be tolerated.
