

GRIEVANCE PROCEDURE

The purpose of the grievance procedure is to provide an opportunity to resolve concerns as quickly as possible. A student with a concern may contact the instructor, Department Head or President. Recommendations, directives, or suggestions will be made. The following guidelines are to be followed:

1. Problems are to be addressed outside of class, during break, or after class.
2. Complaints should first be resolved by discussion with the instructor and/or Department Head for academic concerns. If the grievance is not resolved satisfactorily with these individuals, it can then be submitted to the President, whose decision is considered final in all matters pertaining to the College.

If the complaint cannot be resolved after exhausting the College's grievance procedure, the student may file a complaint with the following:

Oklahoma Board of Private Vocational Schools
3700 N. Classen Blvd., #250
Oklahoma City, OK 73118

If a student does not feel that the college has adequately addressed a complaint or concern, the student may consider contacting the Accrediting Commission. All complaints reviewed by the Commission must be in written form and should grant permission for the Commission to forward a copy of the complaint to the college for a response. This can be accomplished by filing the ACCSC Complaint Form. The complainant(s) will be kept informed as to the status of the complaint as well as the final resolution by the Commission.
